WHY THIS RACE MATTERS

The State's Attorney has an enormous impact on Black communities. They have the power to decide *who* gets prosecuted and the *severity* of each prosecution.

KIM FOXX IS OUR CHOICE FOR STATE'S ATTORNEY

Kim Foxx has been the State's Attorney since 2016 and has championed bold policies that focus on transparency and accountability. She has dedicated her career to public service and implemented solutions to reduce violence and incarceration rates across the county.

In her first term, Foxx has delivered on her campaign promises. Under her leadership, Cook County has successfully:

- ✓ Made strides to end the school-to-prison pipeline by providing services for students at risk of incarceration
- ✓ Overturned 94 wrongful convictions, leading the nation in exonerations
- ✓ Held police accountable for shootings and misconduct
- ✓ Developed the nation's first online system to show how cases are handled by her office.

THE STAKES ARE HIGH

The police union and wealthy conservatives are threatened by Foxx's progressive policies and are funding her opponents in an effort to roll back reforms. While her challengers spent the bulk of their careers in private practice, representing wealthy finance and gaming corporations, Kim Foxx has dedicated her career to public service and prioritizing real change for people in Chicago and Cook County.

Kim Foxx is the State's Attorney Cook County needs, and on Tuesday, March 17, 2020, we have the power to keep her in office to continue the work she's started.
